

YUMOVE®

Active for life

Helping your dog lead a more active life.

The UK's no.1 veterinary joint supplement brand.¹

Contains premium-quality ingredients, like our very own unique and sustainably sourced ActivEase® Green Lipped Mussel.

YuMOVE Joint Care's clinically proven formula delivers results in just 6 weeks.⁴

Already supporting over 2 million dogs a year.³

At YuMOVE, we're passionate about helping your dog be more active throughout their life, so our best-selling Joint Care supplements support all life stages – whether they're young, adult or senior! Our extensive product range also supports digestion, calm behaviour, and a healthy skin and coat. These nutrient-rich formulas are backed by 15 years of scientific research – see the difference in just 6 weeks⁴ or your money back, guaranteed.⁵
